Kennedy's cooze is so pink and juicy, you can't help but lick it all night long! Her sweet succulent juices run down the sides of her inner thighs as Kennedy plunders first one, then two fingers into her pussy. Stopping just long enough to lick her digits clean before reinserting them in her nookie, Kennedy smiles at the taste of her own nectar. What's not to love? This supple sweetheart sure has good taste—and her pussy goo tastes good too!

MILF APPROVED!

BIG-TIME BUSTED!

Big-tit blonde, **Alice Wonder**, jams a pink stinger into buxom brunette **Jelena Jensen's** creamy, wet box. Jelena shrieks as her pussy tightens around the vibrating toy and she cums so hard she sees double. Next, it's Alice's turn to orgasm. Jelena licks her pussy lips and then finishes her off with a hard dildo thrusting. How can something that feels so good be so wrong? Both women have boyfriends and neither one can bring herself to admit to her man that she loves the sweet, forbidden taste of girl-meat more than wiener. Perhaps these pictures will do the trick. Somehow, we don't think the guys are gonna mind all that much.

PORN STAR TEACHER STACIE HALAS X-POSED THE OUTING OF SEX STAR TIFFANY SIX

A HIGH SOCIETY EXCLUSIVE

By ROB PEREZ

ALL PHOTOS COURTESY OF JULES JORDAN

Oxnard, CA—Industry bible AVN [Adult Video News] called her initial hardcore performance with Lorena Sanchez in Jules Jordan's *Semen Sippers 5*—as the delectable duo slobbered over Eric Everhard's rock-hard cock before the girls took him in the ass—"one of the most memorable sex scenes ever." After witnessing a follow-up performance, this time in *Boobaholics Anonymous 2*, online review god XCritic.com crowed, "Six's scene shows a beautiful lady with lots of potential." For her thespian sexpertise in *No Cum Dodging Allowed 7*, still another well-respected porn blog noted, "[Tiffany] handled the initial onslaught of seed well, while taking on the next batch [of multiple cum shots] with even more gusto." Of course, it all sounded like the perfect beginning to a potentially promising porn career, the kind of glowing praise a talented, hardcore ingénue dreams of hearing. But Florida native and practicing science teacher Stacie Halas, now known to the world by her porn name Tiffany Six, had no intentions of making a career out of porn. In fact the sexy blonde had already embarked on an educational path as an educator. Unfortunately for Halas, the spur-of-the-moment decision to dabble in adult films would have immense implications and far-reaching repercussions that would haunt her for the rest of her life.

It's every teenage boy's fantasy to have sex with his hot science teacher. But what if you found out that your homeroom hottie was, in fact, a super-hot adult porn star? Could you really keep it a secret? Well, as you might suspect, in March of 2012, 32-year-old Stacie Halas was suspended from her teaching job at Richard B. Haydock Intermediate School in Oxnard, California when faculty members became aware of the fact that one of their own had appeared in the adult title *Big Sausage Pizza*, in addition to many others. Stoking the flames further was Stacie's shocking performance in the hardcore *bukkake* masterpiece *No Cum Dodging Allowed 7*, a film that showed her fucking at least four or more guys at once, before being collectively blasted in her pretty face with semen. In her own words and on camera Halas knew her erotic ac-

tions could potentially be fatal. "It is risky, very risky for me. 'Cause I am a teacher," she intimated.

Risky indeed; especially when, earlier this year, a three-judge California commission unanimously determined that Halas' partici-

pation in the adult film industry made her "unfit to teach." Oxnard School District Superintendent Jeff Chancer went on to say that the teacher had broken no law or penal code while teaching at the Haydock Intermediate School, however, Stacie's decision to perform in adult films, "was incompatible with her responsibilities as a role model for students and would present an insurmountable, recurring disruption to our schools should she be allowed to remain as a teacher."

Ms. Halas' attorney Dick Schwab attempted to persuade the three-member panel that Stacie had the right to continue teaching in the school district, arguing, "Your job is not to judge what she was in

BEFORE THE
COMMISSION ON PROFESSIONAL COMPETENCE
OXNARD SCHOOL DISTRICT

In the Matter of the Accusation Against:

STACIE HALAS,
A Permanent Certificated Teacher,

Respondent.

OAH No. 2012051091

DECISION

This matter was heard on October 22, 23, 24, 25, 26, and 31,¹ and November 1, 2012, in Oxnard, California, before the Commission on Professional Competence, Oxnard School District (Commission). The Commission consisted of Karen Rapten, Cara Comstock and Julie Cabow-Owen, Administrative Law Judge with the Office of Administrative Hearings, State of California. The Oxnard School District was represented by Nitasha K. Sawhney and Chaka C. Okadigbo with GCR, LLP. Stacie Halas, (Respondent) appeared and was represented by Richard J. Schwab with Trygstad, Schwab & Trygstad.

Prior to presentation of the evidence, Respondent made a "Motion in Limine to Exclude Evidence regarding Matters more than Four Years Prior." For the reasons stated on the record and in Legal Conclusion 3, below, the ALJ denied Respondent's Motion in Limine. Also prior to the introduction of evidence, the Oxnard School District made a Motion in Limine to exclude Expert and Character Witness Testimony. For the reasons stated on the record, the Oxnard School District's Motion in Limine was denied.

Oral and documentary evidence was received, and argument was heard. The matter was submitted for decision on November 1, 2012. The Commission on Professional Competence considered the matter in executive session on November 2, 2012. After due consideration of the entire record herein, the Commission makes the following factual findings, legal conclusions, and order.

///
///
///
///

¹ On October 31, 2012, the Commission viewed Exhibit 29B, a videotape, outside the presence of the parties, attorneys and members of the public. No testimony was taken on that date.

her past, but what she is today. And what she is today, the evidence will show, is a very fit and a very caring teacher. The issue in this case is how she single-handily was able to lift herself out of the hole she's been digging to change her life and to reform and enter into a new, laudable profession."

Unfortunately for Stacie, in a 46-page decision issued in January by the Commission on Professional Competence, Judge Julie Cabos-Owen concluded, "Although (Halas')

pornography career has concluded, the ongoing availability of her pornographic materials on the Internet will continue to impede her from being an effective teacher and respected colleague."

Given Ms. Halas' obvious judicial railroad-ing, we at HIGH SOCIETY prefer to remember Stacie on amore uplifting note, as the always-sensational and talented porn goddess Tiffany Six.

Stacie, fuck them all

REALITY SLUT

She may look like a Kardashian, but reality star look-alike **Annisa Kate** can take a dick up her butt with more class than any of the big-bottomed celeb sisters. “Those girls only do slutty stuff when they know the cameras are on them,” sniffs Anissa. “I do slutty stuff when there’s a man on me. And there’s always a man on me.” Yup, the human jungle gym always seems to have some dude climbing on top of her looking for cheap thrills. Today’s plaything is butt-hungry **Marco**. He unloads a thick, gooey, spurt of jism on A-Kate’s face and tits. If anybody deserves her own TVshow, it’s sexy Anissa Kate. We’d certainly watch it!

Raven's an exhibitionist who just loves to be photographed. This hot-crotched brunette bombshell can't help herself, spreading those long legs apart and massaging her sweet pussy lips with every click of the camera. And let's not forget those gorgeous globe-sized tits—is it any wonder Raven soared our sex meter and got voted this month's centerfold? The jury has spoken, and it's unanimous—Raven's smokin'!

ALL ANAL ALL THE TIME!!!

No matter how well **Defrancesca Gallardo** takes care of her finely knit sweaters, inevitably, they get all stretched out of shape. Luckily, she's not so concerned with the way she blows out her anus. The beautiful brunette jumps on top of her dry cleaner friend **David's** swollen groin get-up and hops up and down without a care in the world—her once tight butt-cunt yielding with every anal thrust. Defrancesca knows that no matter how rough of a fuck she takes up the butt, her sphincter will snap right back to its tight, little self. Well, that's what David tells her, and being a dry cleaner, he knows how to care for a woman's delicates.

HIGH SOCIETY'S FAIL-SAFE HANDBOOK FOR JERKIN' AT WORK

Story by PETER THOMPSON

Illustration by WAY\$HAK

You're deep asleep, practically hibernating, and you're right at the payoff of a dream that's so damn wet your balls are trying to build an ark. You're just about to plunge balls-deep into a ferociously fine piece of prized pink heaven—the juicy, big, wet ass of a skinny 18-year-old blonde awaits penetration. Her titanic tits are so farm-fresh and heavy, like huge tear-shaped drops of liquid sex that look as though they could drip right off onto the floor at any second. You stick your wet, middle finger inside her tight butt-pussy, while the all-girl Brazilian Olympic volleyball team suddenly appears around you, dropping their boy shorts and squatting down on their kneepads, bob-

woken up for your own funeral the day after your execution. The alarm clock *RINGS!* And it *RINGS!* And it *RINGS!* And the damn thing detonates inside your dome, going off like an IED. Instantly, your sexy, young fair-haired charge disappears. Your balls are swallowed up by your stomach. The explosion blasts you out of your skull, shocks you awake with an endless spew of metallic vomit. *RING! RING! RING!* Shards of metal and slivers of glass burst the arteries feeding your brain. Suicide-jumper screams fill your head and your bloodshot eyes are forced to rip open and deal with the morning light. *RING! RING!* Your alarm clock unloads its industrial-strength, brain-rattling personal hatred of

work is filled with headache and heartache. You're trading the best hours, days, weeks, months, and years of your life and renting yourself out like a scullery maid. It's degrading to human dignity. Companies aren't democracies—they're brutal totalitarian governments that treat their workers worse than slaves. You trade your vigor and life force for a greatly inhibited existence in a cubicle. Your day consists of returning bullshit emails, pretending to laugh at you're the Dilbert comic your co-worker thumbtacks to the common wall. You attend bullshit meetings and meet bullshit deadlines, all just to attend even bigger horseshit meetings to meet more horseshit deadlines, all for a pigshit paycheck that

If the boss goes in to take a dump and sees a fresh batch of your little swimmers sliding down the side wall, there will be hell to pay, and you will likely end up paying for it because a DNA test is a simple and cheap option these days.

bing their heads up and down as one by one they take turns teabagging your plums. Each girl gives your sushi shooter a once over and a hard, wet suck. You measure up that fine piece of blonde, teenage veal and give her hull a good spank, feeling the rumble of the rubber-bubbly ass. Face down, you force your tongue between her thighs, licking up batches of her filthy pussy cream and rolling it slowly up into your mouth and then kissing her with it, letting her goo drool down her perfect breasts. You're going to explode—you're going to shoot your wad into the stratosphere. You've got to hold out just a minute more and then you can lay back and shoot a hole in the ceiling. You line up the fireman's hat of your first responder with her tight, little, hairless pussy hole and inhale deeply and then thrust forward like a pool shark lining up the winning shot. But *just* as you're about to penetrate those warm, wet depths of her anus, your ream dream comes ripping apart! Right as you begin slamming your rod between her juicy hams, your alarm clock goes off.

WELCOME TO THE JUNGLE

RING! RING! RING! RING! It's like being

you, dumping its payload of ghoulish torture through your ear canal until it floods your head, soiling your sleeping psyche. *RING!* The alarm murders you with sunlight and thrashes you half-consciously into the bloodshot hangover of the new morning. You trundle slowly from your bed. A great start to another delightful work week. In the vapors of your just-wakened haze you check the time and realize you've overslept and only have a few minutes to shit, shower, shave and get dressed for work. There's not a damn second to spare. No time for breakfast. No time to take care of your throbbing, morning wood. No time to finish off the dream girl from the other side of the pillow. You've got to get moving. Life is a cruel, fat, red-haired black-toothed cougar with more barnacles attached to her hull than an old crab boat.

WORK SUCKS

Face it, work eats steaming wildebeest chips and sucks warthog penis like a Hollywood Boulevard whore on safari. And even that's a relatively good day. Even if you're one of the lucky few who can still smile and say hello to customers and pretend you actually like what you do, every day of

barely allows you to maintain your present semi-miserable poverty-stricken lifestyle. If you lose your job, your life will become like a broken refrigerator—you will quickly begin to rot from the inside. How can you make the daily grind a little smoother? How can you make bending over for the boss a little less painful? What you need is some kind of metaphorical lube. Is jerking off at work the answer?

LOAD BLOW LONGEVITY

Who the fuck knows, but what else do you have going for you? Something's got to change, but first, let's stop right here and reconsider whom your boss *really* is. Is your boss that middle-aged, suspenders-wearing, humpback who slurps his coffee? Do you work for Mr. Coogan, the guy who wanders around the office passing gas, flirting with the pretty young secretaries, and sneaking up behind you to make sure you're not surfing the Internet on company time? This particular douchebag may tell you what to do and what not to do, but he's not the one truly in command. The *real* boss, the one guy who you *really* have to worry about, is the little, bald dude living in your drawers. Your schwanz

is the one who you're really working for. He makes all the calls. He plans your evenings. He takes you to bar after bar on his endless quest for genital hibernation. He's the one who makes you blow your rent money on porn, strippers, and booze. When he says go get that girl's number, you put your pride aside and do it—for him! Well, it's about time you show him the respect he deserves. Work bosses may come and go like subway trains or Joran Van Der Sloot's bloodlust. Nobody has a "career" anymore. The average salary has actually shrunk in the last 40 years. It's a lost game. The goal is to survive while keeping as much of your pride intact as possible. You'd rather be anywhere other than work. A lucky few "telecommuters" get to work from home, wearing only a shirt and tie with no pants, sitting there

attitude, and treating your co-workers like crap, you can certainly find a way to get paid for not giving a crap and finding a few minutes in your busy schedule to rub one out on the company clock. If you're a woman, stop reading. You can jill-off at your desk virtually undetected, simply closing your eyes and crossing and uncrossing your legs. You can even bring a small, fingertip vibrator to work with you. You've got nothing to worry about. All a woman's got to do is open her legs a couple inches and a whole fucking carnival crowd will instantly gather around her. It's much more difficult for a man to get away with busting a nut while on the job. First of all, a thumping fist-slamming against the underside of your desk while Ron Jeremy's goaty grunts come blasting out of your crappy computer speakers is

are, tend to fall into the NSFW [Not Safe For Work] designation. Your first order of business is to find a way to avert the protocols put in place to prevent you from getting a proper head of sexual steam to produce manageable wood for whacking purposes. The best and most obvious tool you have at your disposal is your cell phone; the smarter the phone, the better. Back in the day, a man had to sneak a porn mag into the shitter with him, unbuckle, and lean back, flipping the pages as silently as possible, gripping his dick with similar silence, sweat rolling down his face while he strained to fuck himself to the

You don't want to be the guy discovered during the fire drill with his pants around his ankles, dried spunk on the seat, and the drool from a nice nap leaking down your face.

playing with their peckers and watching *Big Booty Brazilian Butt Sex 14* during sales meetings. But as with anything that matters, you've got to be able to practice a modicum of self-control. Unfortunately, there are some horny fucknuts out there who take their dick into their own hands, so to speak, and force their fate, all consequences be damned!

NATURE CALLS

As a new employee it's imperative that you take your time and scout the new place out before you go running around the office with your pants around your ankles doing the Harlem Shake and taking a piss on your boss's fern plant. Modern surveillance equipment is small, cheap, and nearly invisible to the untrained eye. And it could be anywhere. You don't want to be the guy who gets hired Monday only to show up on *liveleak.com* on Tuesday biting your lower lip, one hand up your asshole while the other hand is ruthlessly jacking your beanstalk. Most workplaces provide their wage slaves with at least a couple of 15-minute breaks during the day, as well as a lunch period. When nobody is around, the easiest way to jerk at work is

obviously to slip into the bathroom and take one of those lingering, lazy, satisfying work dumps that you wave goodbye to as you kick-flush the mess down the tubes. It's only fitting that nature's other call should be made a daily priority at the office, too. If you can get paid for taking a crap, having a crappy

anything but mysterious—it's pretty damn obvious what you're up to. The very moment that you unzip you'll realize just how loud and demonstrative your masturbation routine really is. Unless you have your own lockable office, whacking off at your desk while watching smut is gonna be generally frowned upon at most places of business—especially if you have to interact with the public, or you work at a sandwich place where you need two hands to make the food. One exception to this rule is for those who find their huge asses sitting comfortably in a lavishly feathered plush chair at their bogus government gigs. If you work at the post office or state DMV, you can probably get away with dropping your pants in the middle of the office and humping a pillow on the floor. People expect nothing of you—especially at the post office. You can't get fired. Even if you "go postal" and kill 17 of your co-workers, they'll put you on paid leave and if you ever get out, they'll hire you right back again. A little masturbation is probably considered good form. If you work at the post office, it's very probably the only work you'll do all day.

AVOIDING PRYING EYES

A lot of IT units actually block porn sites on company computers and those that don't usually track and monitor your journey from site to site, and too much smut on the corporate dime and you'll soon be called in to the boss' office for a humiliating talk on what's appropriate in the workplace. Anal enema bukkakes, sexy as they

centerfold, fearing every strange sound, desperately raising his blood pressure trying like hell to unburden his load before being discovered. This was a real Cold War kind of cloak and dagger. Jerking off still carries with it a stigma—it's a subject not usually broached in polite society or mixed company, but that's slowly changing. In the future, companies will give their employees 20 minutes a day to whack off. They might put in porn arcade booths and reward their employees with tokens. Those who are stuck in the office all day simply find some decent porn, make sure the volume is down before proceeding, and head into the men's room.

ZERO DARK & DIRTY

Make sure you're alone in the bathroom and don't be an idiot and take the stall in the middle. The next thing you know, you'll be at half-mast while company humps on either side of you are expelling stale cigarette, coffee, and toothpaste stank with their greasy lunch turds until you vomit on your own lap. You do not want to puke on your pud. If you need step-by-step instructions on flogging the boss from this point, you're probably in the wrong business. Do what you've been doing since you first learned to do it. Just remember to stay quiet and stay the course. You don't want to be known as a guy who cruises the men's room checking for feet in the stalls. Once you enter, make the commitment and grab a stall. Cruising the men's room is a whole *other* kind of lifestyle, just ask Senator Larry Craig

about his "wide stance." That said, once you successfully complete your first whack job, it may be tempting to shoot your wad against the stall wall. You might even be tempted to blow a load and then stick an ironic Dilbert cartoon cleverly and subversively to the surface, making a prescient comment on the anonymity of the modern workplace and man's search for an identity in a post-industrial society. Resist the temptation to jizz on the toilet seat or in the pack of cowboy hats behind the shitter, or if you must, just be sure to clean up after yourself. Not only is a wad of dripping cum nasty, but it's like spray painting graffiti on company property with paint made of your own DNA. If the boss goes in to take a dump and sees a fresh batch of your little swimmers sliding down the side wall, there will be hell to pay, and you will likely end up paying for it because a DNA test is a simple and cheap option these days. Also, resist the temptation to feather the nest while you're in there. You can make a case for a 15-minute shit once a day, but a two-hour stroke session will probably get you caught—or else you'll be singled out as a poo-sniffing sicko. Of course, there's nothing better in this world than pulling your pud, shooting your load, and then tilting your head back and lolling into ZZZZZ-land. But, you don't want to be the guy discovered during the fire drill with his pants around his ankles, dried spunk on the seat, and the drool from a nice nap leaking down your face. Unless you're an executive at American Apparel, you've got to adjust the risk for yourself.

SHOULD I CUM OR SHOULD I GO?

Sometimes in battle, a soldier has to know when to advance and when to retreat. It can mean the difference between life and death, or, in this case, a job or a weekly trip to the unemployment office. Know when to hold it and know when to put it back in your pants, to paraphrase Kenny Rogers. A lot of guys can't work their wands when there's a full house, so if some dink comes into the stall next to you and starts making plopping sounds and you begin to feel the heat coming out of his colon, it's probably best to retreat to get the hell out of there. Of course, many of us don't work in offices. Construction workers may be tempted to grab a *CLUB* and head into the nearest Port-A-Potty. Resist the urge! Though this seems like a decent idea, it's not recommended. In fact, don't go into a port-a-potty at all unless you'll shit your pants otherwise. Taking a dump in the backseat of your own car is preferable to stepping into a humid, sun-boiled butt booth, unbuckling, and working up a sweat in a port-a-john. The fumes alone will prove deadly.

CUBICLE COCKFIGHT

A cubicle makes for a lousy life in every way. Certainly, an office with a locking door would be nice to have. A man with his own office can sit at his desk with his pants around his ankles and really crank out an hour-long self-love fest with little to no distraction. Your boss might even have a couch in his office. Next time he goes away for a vacation, volunteer to water his plants, or ask for the key for some other valid reason, and try a jack in the luxury of a private office—it's like having your own luxury box at a ball game. Jerking off is every man's right. Many men have to sneak around at home, afraid to get caught while pleasuring themselves lest they have an argument or somehow offend their significant other. No man should have to sneak around, hiding in his damp basement, or slipping into the trunk of his car in order to enjoy a harmless wank. No matter where you work, there is ALWAYS a way. Some men are forced to choose between eating a healthy, nourishing lunch and pleasuring themselves behind the pine trees in the local park. You can always grab a snack and munch at your desk, but a mid-afternoon squirt can make all the difference in your attitude and make the rest of the day go by just that much faster. Remember, there will be other jobs. In the age of *youtube*, it's not worth getting caught, especially on a company security camera, but it's not worth being miserable and getting yourself all blocked up either. In a perfect world, every man would be given a half hour after lunch to play with himself and then another hour after that to take a nice nap. I think they actually implemented this in communist Russia, but the half-hour jerk-off became half-day fuckfests and the hour naps became sleeping under your desk with a blanket and a pillow. I've enjoyed some of the best jerk-off sessions and the deepest most refreshing naps I've ever had the privilege of taking at work, while I was on the company dime. Just remember, blowing a load is one thing, using the company postage meter to send out your bills is another. There's no excuse for stealing, but man has a natural right to relieve blue balls.

BENEFITS OF JERKIN YOUR GERKIN

You might not even notice, but you will find that you are actually much more productive during the day after you've taken the time to get sexy with yourself. You smile more, you don't take

on as much stress, and you have a better overall attitude toward the balances of work and life—and you never seem to run out of funny places to wipe the jizz from your hand. Jerking at work can change your entire attitude toward the drudgery of your job. You might not mind coming in to work so much knowing that you have a few minutes of fun time somewhere in the middle of the afternoon, but like all things, touch yourself in moderation. Once is practical. Twice a day is for relieving very stressful days. Three times a day and you are pushing it. Four times or more a day of milking your prostrate and you have officially changed your job title from whatever it used to be to being a professional jerk-off, which is not something that looks all that great on a resume. No matter how great or sexy your job is, once money is involved, it ceases to be fun, hot or sexy. Working in porn is a dull affair when you have to do it every day, just to pay the rent. You don't have time to enjoy it. You become desensitized and a little disgusted by it at times. Pay a man to sniff supermodels' panties and he will find a way to learn to hate it. Remember above all else, you are there to do a job, not just to lollygag around and play with your wiener. We should all learn the lesson that Bill Clinton taught us in his second term—even the president of the United States needs to blow off some spunk every now and again. The key is just not doing it on some fat hillbilly's blue dress. Be clean and be mean. You need the job, so you have somewhere to go, so you have a reason to jerk off. Once you lose the job and have nowhere to go, the appeal of jerking off becomes quite limited. Sure, you might spend the first week or even the first month doing nothing but watching porn and splattering your screen, but sooner or later comes the law of diminishing returns and you'll have to jerk off 100 times to achieve the pleasure you used to get from one secret session at work. The proper life-work balance should be kept in mind at all times. Nobody likes being micromanaged, so don't micromanage your orgasms either. Don't live and die by a set schedule lest your spunk becomes as stale as, well, stale spunk. All of that said, you're really on your own. It's hardly international intrigue or high-level chess. It's pulling your pud. Of course, writing this is *my* job and I'd love to keep going, but now it's my turn to spray my computer screen with semen.

ADRIANNA LUNA

THE HIGH SOCIETY INTERVIEW

by Rob Perez

PORN VALLEY, CA—BEAUTY, BOOBS, AND A KILLER BUTT IS WHAT SEX STAR ADRIANNA LUNA HAS BEEN BLESSED WITH: THE ONLY THREE B'S THAT REALLY MATTER TO HER NUMEROUS PORN FANS. BUT THIS LATIN SEXUAL DYNAMO ALSO HAS BRAINS AND IT'S FOR THAT REASON THAT WE TRULY LOVE SPEAKING TO HER. WHEN IT COMES TO FUCKING, SHE HAS ENOUGH STAMINA TO OUTLAST HER PARTNERS, AND HAS BECOME FAMOUS FOR VIGOROUSLY RIDING A GUY'S COCK UNTIL EVERY DROP OF CUM HAS BEEN SQUEEZED OUT. WHAT MAKES ADRIANNA SO POPULAR WITH THE CURRENT STABLE OF MALE PORN STARS IS HER COMBINATION OF AMAZING, EXOTIC LOOKS AND HER INCREDIBLY, HARD BODY. LOOK FOR ADRIANNA TO CONTINUE MAKING COCKS HARD FOR A VERY LONG TIME TO COME.

HIGH SOCIETY: *Congrats on winning "Best New Starlet" at Night-Moves. How did it feel to be nominated for "Best New Starlet" at the AVN and XBiz awards?*

ADRIANNA LUNA: It's so exciting. It was my first time ever being up for an XBiz and AVN award this year, so being nominated for "Best New Starlet" for XBiz and AVN was just so exciting. It's really rewarding to be recognized for it because you sometimes feel lost because there are so many movies and so many beautiful girls who are also talented performers. So to be recognized among a big pool is really exciting.

HS: *You definitely have one of the tightest bodies in porn. Have you always been into physical fitness?*

AL: Yes. Fitness has always been a huge passion of mine. Since I was a kid I was always super-active and athletic, and I wanted to be put into every recreational sport that I could do. So when I was a kid I did a lot of gymnastics. In high school I did track & field and I did cheerleading. When I got into college, as much as I wanted to keep doing it, I really couldn't compete at that

level. But I still kept being superactive by working out, and not just your typical workout in the gym. What I tell my friends is, "To get the best results, you got to do what you enjoy."

HS: *With all that fitness, is sex still the best workout there is?*

AL: Oh, for sure. It's a great workout. Sometimes when I can't get to the gym because of work, I don't feel bad because you work up a sweat [during sex]. There are days when I'm just dripping, where it looks like I just walked out of the water. You're putting in a lot of work, and you're in there for a good 45 minutes. So it definitely gets your heart pumping, sweating. [Laughs] Yeah, I think it's totally a good workout.

HS: *How has porn affected your private life?*

AL: When I got into this industry I was single, so I went on a few dates when I first got in with a few civilian guys. It was tough because I couldn't bring myself to tell any of them what I did. I just lied and made up some sort of other occupation. I honestly didn't think any of them could understand or really wrap their head around being OK with their girlfriend going off and having sex with other men for a living, and then coming back and not letting that affect them or not getting into jealousy or possessive issues or insecurities, or anything like that. So for me in my own experience, it was hard dating out of the industry. I find it a lot easier to date someone in the industry because they kind of understand and vice versa. I think if I wasn't in the industry and I started dating a male performer I would have a lot of problems with him going to work. [Laughs] It

I would get so excited going down on a guy and feeling his hardness in my mouth that I couldn't get enough of it.

would be hard to understand how you can do something so personal and so intimate with somebody and not have any emotional attachment afterwards.

HS: Describe the past year you've had professionally?

AL: It's kind of been a whirlwind. I feel like I had all these great opportunities happen so fast because I am still relatively new to the industry. So I would say kind of like a whirlwind. I've been on this wild ride, but it's been so much fun, and I feel so grateful for all the opportunities that have come up.

HS: When did you realize your calling to become a porn star?

AL: Even getting into the industry, it all happened really fast for me. It was spontaneous in that I just jumped right in. I found myself at a place where I couldn't do both.

So when it was too much work conflict and when there was a lot of demand for me in the industry—there were companies calling for me and I was getting a lot of bookings—I said, "I'm just going to go for it." The worse thing that could happen is that I could fail miserably and I could just go back to the company or go back to something similar. I have a Bachelor's Degree, so I know I will always have something I could fall back on. But I definitely wanted to just give it a shot, give it a try.

HS: What's the best and worst thing about being a porn star?

AL: The best thing, at least for me, is I'm in a position where I feel I have 100% control of my job. I feel like I'm in my own business and I'm my own boss. So that's the best thing for me. I definitely appreciate the position that I'm in now. I'm doing

something that I absolutely enjoy and look forward to. That's the best thing. The worst thing is just having to kind of balance—or get myself just not to care about—what people think. I'm still not super open about what I do with people I don't know. I just don't put it out there.

HS: How did you decide on your porn name?

AL: My girlfriend, who gave me the idea of getting into the industry, was the one who suggested it.

HS: Where would you rate yourself looks-wise on a scale of one to 10?

AL: I would say I'm a solid eight. Like a B+. [Laughs]

HS: What would you say is your best and worst physical feature and why?

AL: I would say my best feature is probably my boobs. They get really great compliments and I really like them. I'm all natural, I'm a 34D, and people say I have very happy boobs because they're very perky. [Laughs] I would say my worse feature is my butt. I wish my butt were bigger. I see some girls on set and they have cute bubble butts. So I got to do squats to make it grow. It's very solid and firm. I just wish it were bigger. [Laughs]

HS: Since we're talking about butts, I've got to ask you about anal. Will you be doing anal scenes in the near future?

AL: I haven't done it on film yet and it's something I have never really done in my personal life. I tell people when they ask me, "I feel like my butt is shy." Some butts just open up real easy and they just take a cock very easily, but I think mine is just a little shy, like it's not ready to open up yet. But I'm working on it. I have some toys and I enjoy the toys. I feel like when I do it on camera I want to be 100% ready and I want to be able to enjoy it, and be able to do it right. I don't want to feel like it's something I don't enjoy and I'm just struggling through it.

HS: Do you enjoy having a tongue or finger up your ass?

AL: I love having tongues. I love having my butt licked. I love having fingers in there. I have little butt plugs that I really like to use, and sometimes I use them when I'm having sex with a guy. I'm just scared of porn cock. [Laughs] They're so big.

HS: Would you consider doing a non-anal gangbang?

AL: I've done two guys and I've done a blowbang, but I've never actually had sex with more than two guys on camera. That's also something I definitely want to do. I want to try. That sounds super-exciting to me. I haven't been asked to do it or maybe my agency doesn't feel I'm ready to do it just yet, but 2013 is going to be a good year and a year of firsts for me.

HS: *Have you been with two guys in your personal life?*

AL: I have not. I've only had the chance on camera, but I loved it. If I had to pick what my favorite scene was, I've only done it twice, but definitely the boy-boy-girl scenes. They're so exciting and kind of wrong, but I had so much fun doing it. I like being the center of attention.

HS: *Have you had girl-girl-boy threesomes?*

AL: I have. I've done girl-girl-boy threesomes before.

HS: *Did you have an active personal life before porn?*

AL: People ask me, "Were you this big slut

of. [Laughs] I would say I do it about three times a week.

HS: *What do you think about when you masturbate?*

AL: It depends. Sometimes I watch porn and sometimes I watch porn to just get ideas to watch performances that I think are great. That turns me on and then I masturbate. Or, if I'm not watching porn, if I'm dating somebody, I'm thinking of that guy I'm dating. So it's usually about a certain guy in my life or I'm watching porn. [Laughs]

HS: *What kind of porn do you like to watch?*

AL: I like all kinds of porn. I like romantic

romantic part of me, but I definitely want to push myself and show people that I also have another side—a very dirty side. [Laughs]

HS: *Are you a very dominant or submissive person?*

AL: I'm 100% totally submissive.

HS: *Can you tell me about one of the hottest sex scenes you've ever been involved in?*

AL: I would say one of the hottest scenes I've been in was for Tristan Taormino; it's being released by Adam & Eve. It was an instructional "how to" for couples on B&D. I did it with James Deen, which is kind of his

before you got into the industry?" I wouldn't call myself a big slut, in the sense that I didn't have a ton of partners, but the partners that I did have, I had sex with them a lot. I have a very big sex drive; I masturbated a lot. I'm just a very horny girl.

HS: *Do you still masturbate often?*

AL: I masturbate a lot—not as much as I used to. I used to masturbate everyday. Now I don't masturbate everyday because my sexual appetite is somewhat taken care

stuff, sometimes I like the hardcore. Although most of the time it's just gonzo, getting straight to it. I don't need a storyline beforehand.

HS: *So 2013 is the year of sexual exploration for you?*

AL: Yeah, I think so. In my personal life I really enjoy rougher sex. I really like it dirty. I think that, at least for now, when you see me, I really do look like a really nice, sweet, innocent girl. And I love the

thing. He's a pro at that sort of style. And I really like BDSM. I'm still learning more about it, but I really like it. We [Deen and I] have really good chemistry, it was really intense, but I loved all the toys we got to play with. It was really good. I came a lot.

HS: *Would you say you're bisexual or more bi-curious?*

AL: I wouldn't say I'm a true bisexual. I never even thought I was so much as bi-curious before I got into the industry,

COCK ADDICTION

By Acme Andersson

ANGELINA WILDE

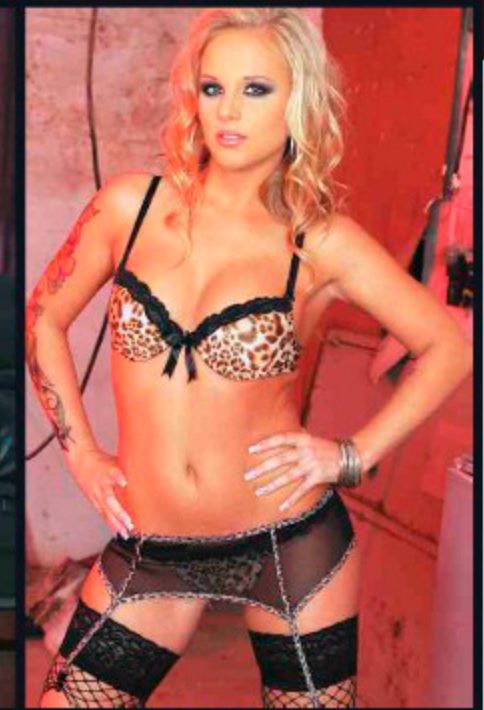

ANN MARIE LA SANTE

RIO LEE

KATHIA NOBILI

BARBIE WHITE

STARRING: ANN MARIE LA SANTE, ANGELINA WILD, RIO LEE, KATHIA NOBILI AND BARBIE WHITE WITH BOB TERMINATOR, FRANK GUN, LAURO GIOTTO, NICK LANG AND DAVID PERRY **STUDIO:** DIGITAL SIN

These days, studies show that most Americans look down on others who have addictions, but almost everyone has one. They're not just for drugs anymore, there's a whole host of new addictions that can plague us: just think adrenaline, gambling, TV, food, and our favorite, SEX.

The five Euro hotties in this title are dealing with some stiff problems, though none feel that it is actually a problem. As the title implies, these brave beauties are afflicted with *Cock Addiction*. They fuck and suck and get their faces and bodies sprayed by ball juice, and all they want is more, more, more!

Ann Marie La Sante, Angelina Wild, Rio Lee, Kathia Nobili, and Barbie White are all trying to fight off the effects of withdrawal and dick is the only thing that they've found effective. Medical professionals also say it's helpful for those suffering from cock addiction if guys watch their movies and get off to them. So if you want to help, you know how.

Angelina Wild & Frank Gun

Angelina looks like an innocent, but her name gives her away. She's always been a wild girl and look where that got her: She's strung out on another jizz binge and can't get anything done without getting a little prick fix to get her going.

When Angelina orders up some champagne, waiter Frank thinks nothing more of it than the fact that the chick he is carding is super-hot (and legal). Still, he didn't expect her to start undressing him even before he could set down her drink. Waiter Frank is no

dummy, so he isn't about to complain when he's about to get serviced for his service. Angelina doesn't stop there—before long the bar jockey is eating her marshmallow pie and shoving in his newspaper taxi as he's ramming her head into the clouds.

By the time Frank needs to blow his wad, his customer is bright-eyed and no longer needs that drink. She's happy to swing his cream in her mouth—it's the best buzz she can think of. It's okay, he won't have to wait long and she'll be desperate for more, and this time he'll be ready for tomorrow.

Hooked On-Trouser Snake:
Strung out from still another cum binge, Angelina Wild swills Frank's hotel load, clearly enjoying the buzz.

Dependent On Dick: Jizz junkie Ann Marie La Sante receives a dialed in dose of dickmeat from medicine man Bob Terminator.

Digital *Sin*

Ann Marie La Sante & Bob Terminator

Ann Marie is the first sex-starved yummy to need a fresh fuck to keep her from feeling the ills of sexual deprivation. She is a tiny girl with a big need and Doctor Bob has just the fix she's looking for. Apparently not wanting anything more than skin to get between the stethoscope and her heart, she tosses her shirt away. In case there are mixed messages, she takes off the rest of her clothes, too, and the doc secures a diagnosis with a speculum on her snatch: she's an addict.

Rather than lecture the young beauty on the dangers of addiction, he helps her get her fix by shoving his "by prescription only" cock into her mouth. Like any junkie, she is ravenous

when she has the cure at hand and the doctor receives a very generous and loving blowjob. Almost as soon as his cock gets in her puss she is high, moaning, and writhing, her eyes bright kaleidoscopes.

With all the precision of a professional man of medicine, Bob parts the way on her hairless snatch on the bed with a missionary to make the girl coo, while the doggie-style appears to be a little medicine for tomorrow. By the time she gets on for a reverse cowgirl, Ann Marie looks like she might soon be an overdose victim, but she maintains and soon she gets the ultimate fix her body needs—a man's thick cum—right in her talking hole. When Ann Marie awakes from this one, she's just going to need more!

HIGH SOCIETY 83

Rio Lee & Lauro Giotto

Rio isn't only the most exotic looking of the Euro babes in *Cock Addiction*, she's also the most eager of the bunch. Maybe she's less desperate than the other girls for a fix because she lets Lauro go down on her and lick her snatch and suck on her titties before she demands his stiff shooter in her mouth.

She doesn't need to talk Lauro into anything—he's already taken with her incredible body and wants more than anything to pull his train into her station. After her supreme oral favors are complete his cock jumps the turnstile and heads down the tracks, pounding

her like a man looking to wipe out this girl's cock addiction once and for all. Little does he know that he's only feeding the beast, though it seems certain that he doesn't seem to care.

The well-curved Rio knows well how to glide around a man's body as she searches for a way to fulfill her inner desire, and even her large falsies bounce with the way she sets herself up for a pounding when she's not grinding on his gearshift. Not one to let a single drop get wasted, she is all business when Lauro needs to sow his seed and literally sucks it right out of him like a sexy cum-sucking vampire.

Kathia Nobili & Nick Lang

Nick has a good job. With a boss like Kathia, he'd happily go without pay, what with her unprofessional needs that are fringe benefits for this lucky man of the cubicle. We catch him on a particularly lucky day, where Kathia wants to talk about how he can get ahead in the company. Him getting ahead also means him *getting* head, which is the kind of job advancement policy any guy could live with!

She definitely plays the aggressor—she *is* his boss, after all—and it's her that guides his hand inside her black panties. Gosh, Ms. Nobili, what next? There are no dumb questions as his fingers fumble their way into her hole and he is calmed by her musty wetness that

shows just how much she wants to help him get a promotion.

The boss woman sucks him good, her lips inching their way down to his balls, before she places his suit jacket on the desk, spreads her legs, and tells him to show her just how much he loves the company. He shows his loyalty by banging his cock-loving boss good and hard, then bends her over and defiles her from behind. Just to show that she is not just a lazy supervisor, she gets on top and tackles her problem with all the professionalism of a prick-addicted corporate officer. She rides him hard, then squirms across the desk lustily in search of his popshot, which dribbles down her chin in her effort to show her subordinate that she knows how to have fun, too.

Barbie White & David Perry

Like any good junkie whore, Barbie (also sometimes known as Tara Pink) will take in any cock, in any place, in any hole—she just needs to get her injection of man meat. That works fine for David who finds this kitty in the alley and is happy to get dirty in such a filthy place with such a nasty girl.

He checks out her ass real close before she turns around to service his pump. With her back against some old piece of trash, he presses the head of his dick against her tonsils and elicits plenty of saliva, which comes in handy when he turns her around and gives no quarter as he enters her ass, letting the alley rats put up with

her hollering as she gets what every addict like her needs.

They find what looks like an old part of a tree trunk and then a beat-up pallet. Barbie appears more than accepting of his cock, twisting and turning so hard on it that a lesser man's rod might be broken right off. Barbie pulls back to show off her gaping rear a couple times, then David crams and jams his cock into her until he is ready to cum. Barbie is a sloppy junkie and ends up with a face covered with his blast. That just means she's going to have to get another fix again soon. For a chick that looks like her, that shouldn't be a problem. She'll always be able to cure what ails her.

but since I got in all these girl-girl scenes I'm finding that I'm enjoying them more than my boy-girl scenes. I'm getting really turned on by women and I like the act of going down on girls. At the end of the day, I still feel like I need a cock.

HS: *Have you been with girls in your personal life?*

AL: I've been with girls, but never by myself. It was always a threesome with a guy. That's all.

HS: *Is there a girl in the business you'd like to have sex with?*

AL: I did have a crush on Yurizan Beltran, but I got to work with her not too long ago, so I fulfilled that fantasy. [Laughs] I can't think of anybody off the top of my head right now. It was her for a long time, though.

HS: *Do you have a preference when it comes to cock size?*

AL: I'm not a huge size queen. I need more than a pinky. [Laughs] They say the average, normal guy is six inches, so I would say six to eight inches is good for me. But I don't mind the smaller guys because I feel I can go on longer and I can try a lot more stuff.

HS: *Do you have a tight pussy?*

AL: I've been told by most of the guys that I work with that it's very tight. I have struggled in the past getting certain guys in me, but those guys, they know they're really big, so they're used to it, and they're really good at knowing how to work it in.

HS: *Do you have any big titles coming out in the near future?*

AL: I have a few films that just came out

from Zero Tolerance. One is *In The Champagne Room*, and it's a stripper-themed movie. I also have *Knocking Boots* from Zero Tolerance. That was really hot. And there's Evil Angel's *Bikini Clad Cum Sluts 2*. Whenever people ask me if there's a particular movie of mine that I would recommend, I say that one because I was really proud of the scene.

HS: *Have you ever had a one-night stand?*

AL: Yes.

HS: *What's one sex toy you can't live without?*

AL: My Hitachi.

HS: *What's one superpower you wish you could have?*

AL: I wish I could travel back in time?

HS: *Name a male and female celebrity you most want to have sex with?*

AL: Ryan Reynolds and Megan Fox.

HS: *You're pretty well known for your cocksucking skills. Do you have any special techniques when it comes to giving head?*

I'm all natural, I'm a 34D, and people say I have very happy boobs because they're very perky.

AL: I don't have a special technique. I really enjoy it and I get really into it, and I think that sort of excitement or voraciousness, and the way I approach it, translates well on camera. During my first time having sex I can remember my favorite part was giving head. I would get so excited going down on a guy and feeling his hardness in my mouth that I couldn't get enough of it.

HS: *What does the future hold for you?*

AL: It's hard to tell and it's hard to say in this industry. You never know. I'm having so much fun and I would love to continue doing it. There's still so much I want to do and explore on-camera. I'm starting a website, getting more involved behind the camera, continuing to build my name and the brand, and trying to put out a product that my fans enjoy.

HS: *Anything else you'd like to say in closing to the HIGH SOCIETY readers?*

AL: I'd like to give a big shout out to all my fans. They are so great and they continue to give me the opportunity to do these movies. Thanks for supporting me through this whole journey. I feel very grateful and indebted to them all.

LIL' LOVER

This sweet, petite piece of meat is **Staci Silverstone**, a wide-eyed wondergirl who's always up for an adventure—like this one time when someone dared Staci she couldn't suck ten dicks in one night. Or the time when her friends bet her she couldn't shove a giant dildo up her ass. No matter the naughty challenge, Staci has proven herself cute and capable of just about anything. Some things you just don't bet against, like Staci's screwed-up sexual appetite.
